Topics to Be covered

Python Revision Tour

Python Revision Tour II

Working With
Functions

Using Python Libraries

File Handling

Recursion

Data Structure I
Linear Lists

Data Structure II
Stacks & Queues

Communication and
Network Concepts

Relational Databases

Simple Queries in SQL

Table creation and data
manipulation commands

Grouping, Records,
Joins in SQL

Interface Python with
MySQL

Self-Study vs Kwick Revision

Aspect	Self-Study	Kwickprep crash course
Structure & Guidance	Self-directed, can lack focus	Structured program with expert guidance
Study Materials	Generic, not tailored to CBSE	Customized, CBSE-focused materials
Interactive Learning	Solo, without interaction	Live, interactive online sessions
Expert Support	Limited or no expert access	Direct access to experienced educators
Doubt Resolution	Self-reliant problem solving	Regular doubt-solving sessions
Preparation Efficiency	Varies, often less efficient	Streamlined, focused preparation
Motivation & Support	Self-motivated, no external support	Continuous motivation and peer support
Exam-focused Approach	General, broad study	Targeted, exam-oriented revision

Kajal Mehta

Kajal Ma'am, with her **20+ years of experience** as a Computer Science educator, has a proven track record of guiding students to excel in **CBSE Class 12 Computer exams**. Learn from an expert and elevate your understanding of Computer Science to new heights.
